User Manual

1. Registering as a new user
2. Log in as a user
3. Posing a ticket
4. Searching for a ticket
5. Sending a message
6. Check messages inbox

1. To Registering as a new user you need a valid email address. Open the website. Then, from the navbar go under “LOG IN” then you’ll find “SIGN UP” as in figure 1. Then fill up all the required sections.

Figure 1

2. To log in as a user you need to have a registered account in the website. To do so, please check step 1 of this manual. Then, open the website. Then, from the navbar press on “LOG IN” at the very right then choose find “LOG IN” as in figure 2

Figure 2

3. To post a ticket you need to have a registered account in the website and you need to log in (see step 1 and 2 from this manual). Then, from the navbar go to “POSTING”, then press on “+ ADD RECORD”. After that fill all the required sections. See figure 1.
