Goal: Expand the interface and introduce a few new features

Task listing:
1. As a seller or buyer, I want a home page to come to so that I can access different parts of the website.
   a. Update graphical interface ()
   b. Link to other parts of the site ()
   c. Calendar for future events (backlog) ()
   Total hours:

2. As a buyer, I want a "trust" system so I can choose who I trust buying from.
   a. Clickable button that increments when clicked, can only be clicked once per user (5)
   Total hours: 5 hours

3. As a buyer, I want a review feature to recommend a seller or warn other buyers.
   a. Update profile graphical interface ()
   b. Graphical interface to post reviews ()
   c. Create database to store reviews ()
   d. Link review database to specific accounts ()
   Total hours:

4. As a buyer or seller, I want a messaging system so that I can message other users.
   a. Graphical interface for inbox ()
   b. Graphical interface for sending message ()
   c. Database to store messages ()
   Total hours:
